

YOUNG ADVOCATES COLORING BOOK

For our
future leaders,
who will write their
own story.

Hi future advocate and leader!

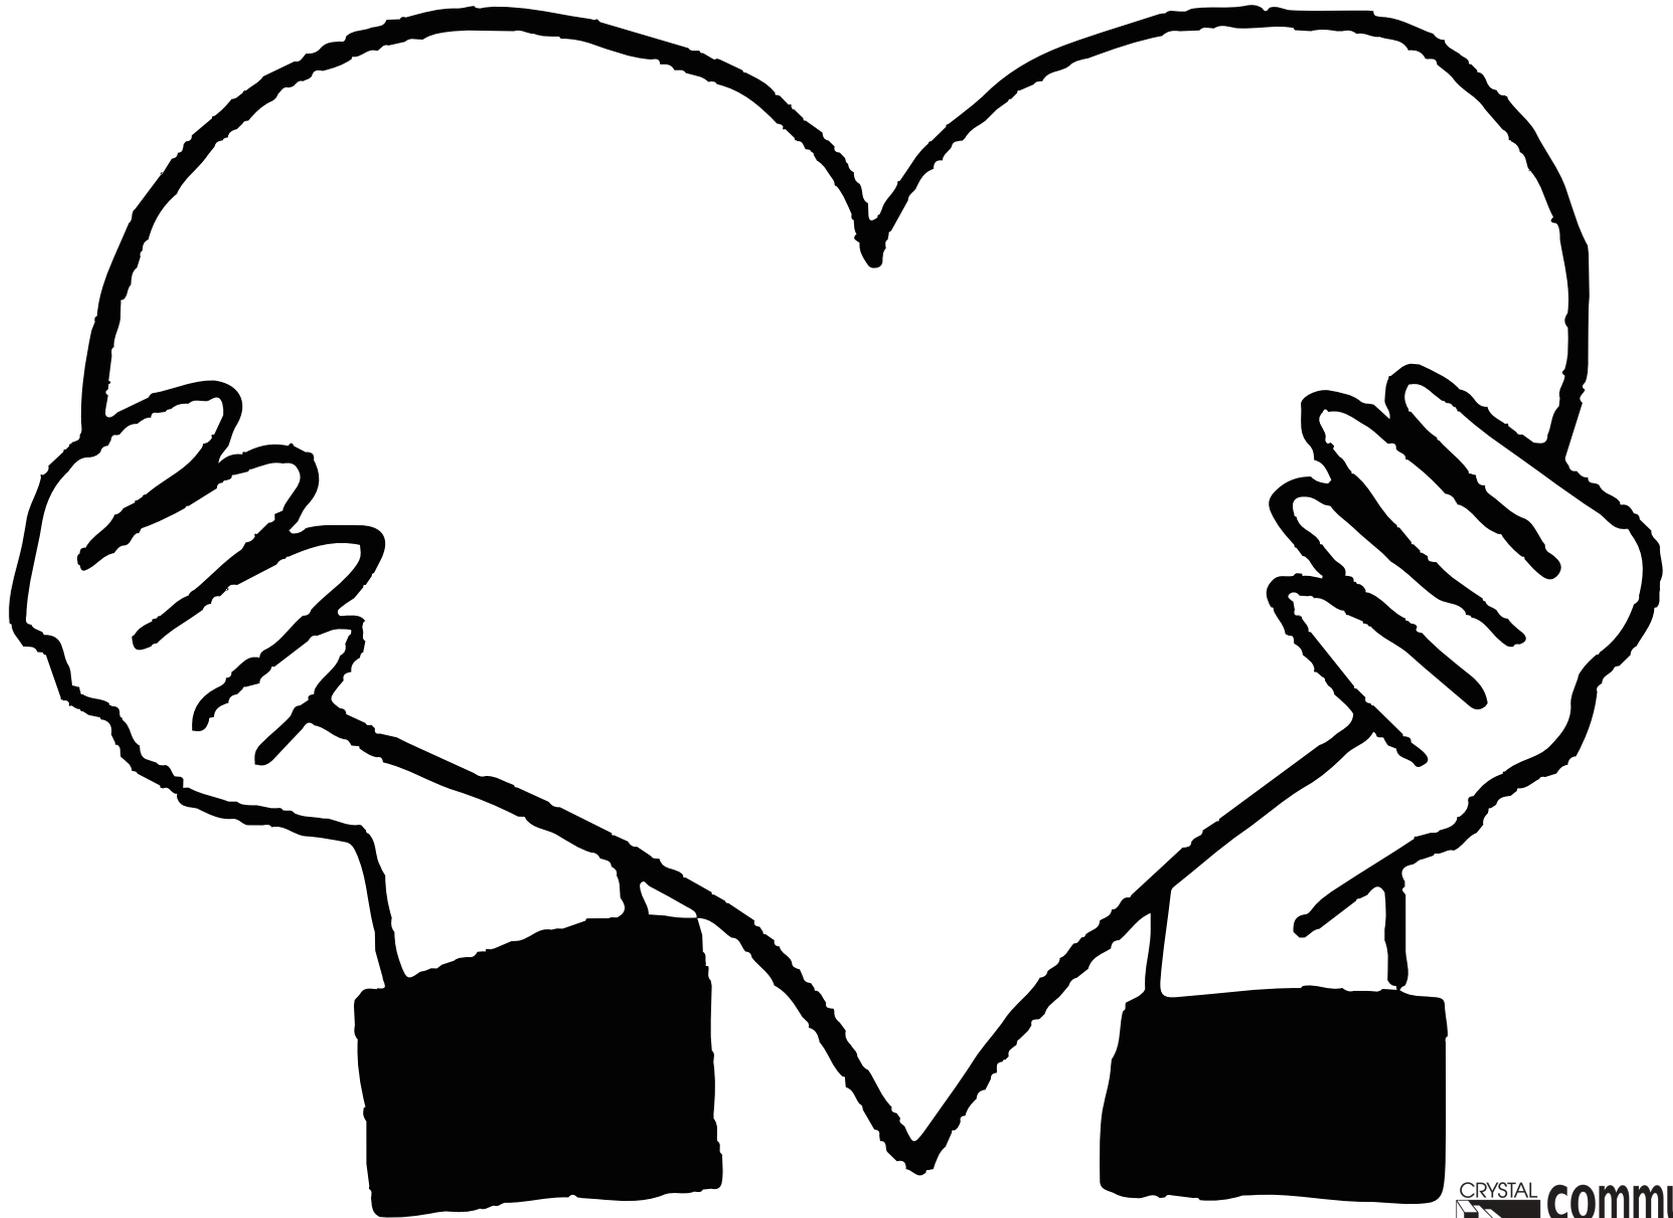

Use this coloring book to share your thoughts with your family, your teacher, or someone who you look up to.

Talk with them about what matters to you, and ask them what matters to them.

We hope you dream about the leader we know you can be!

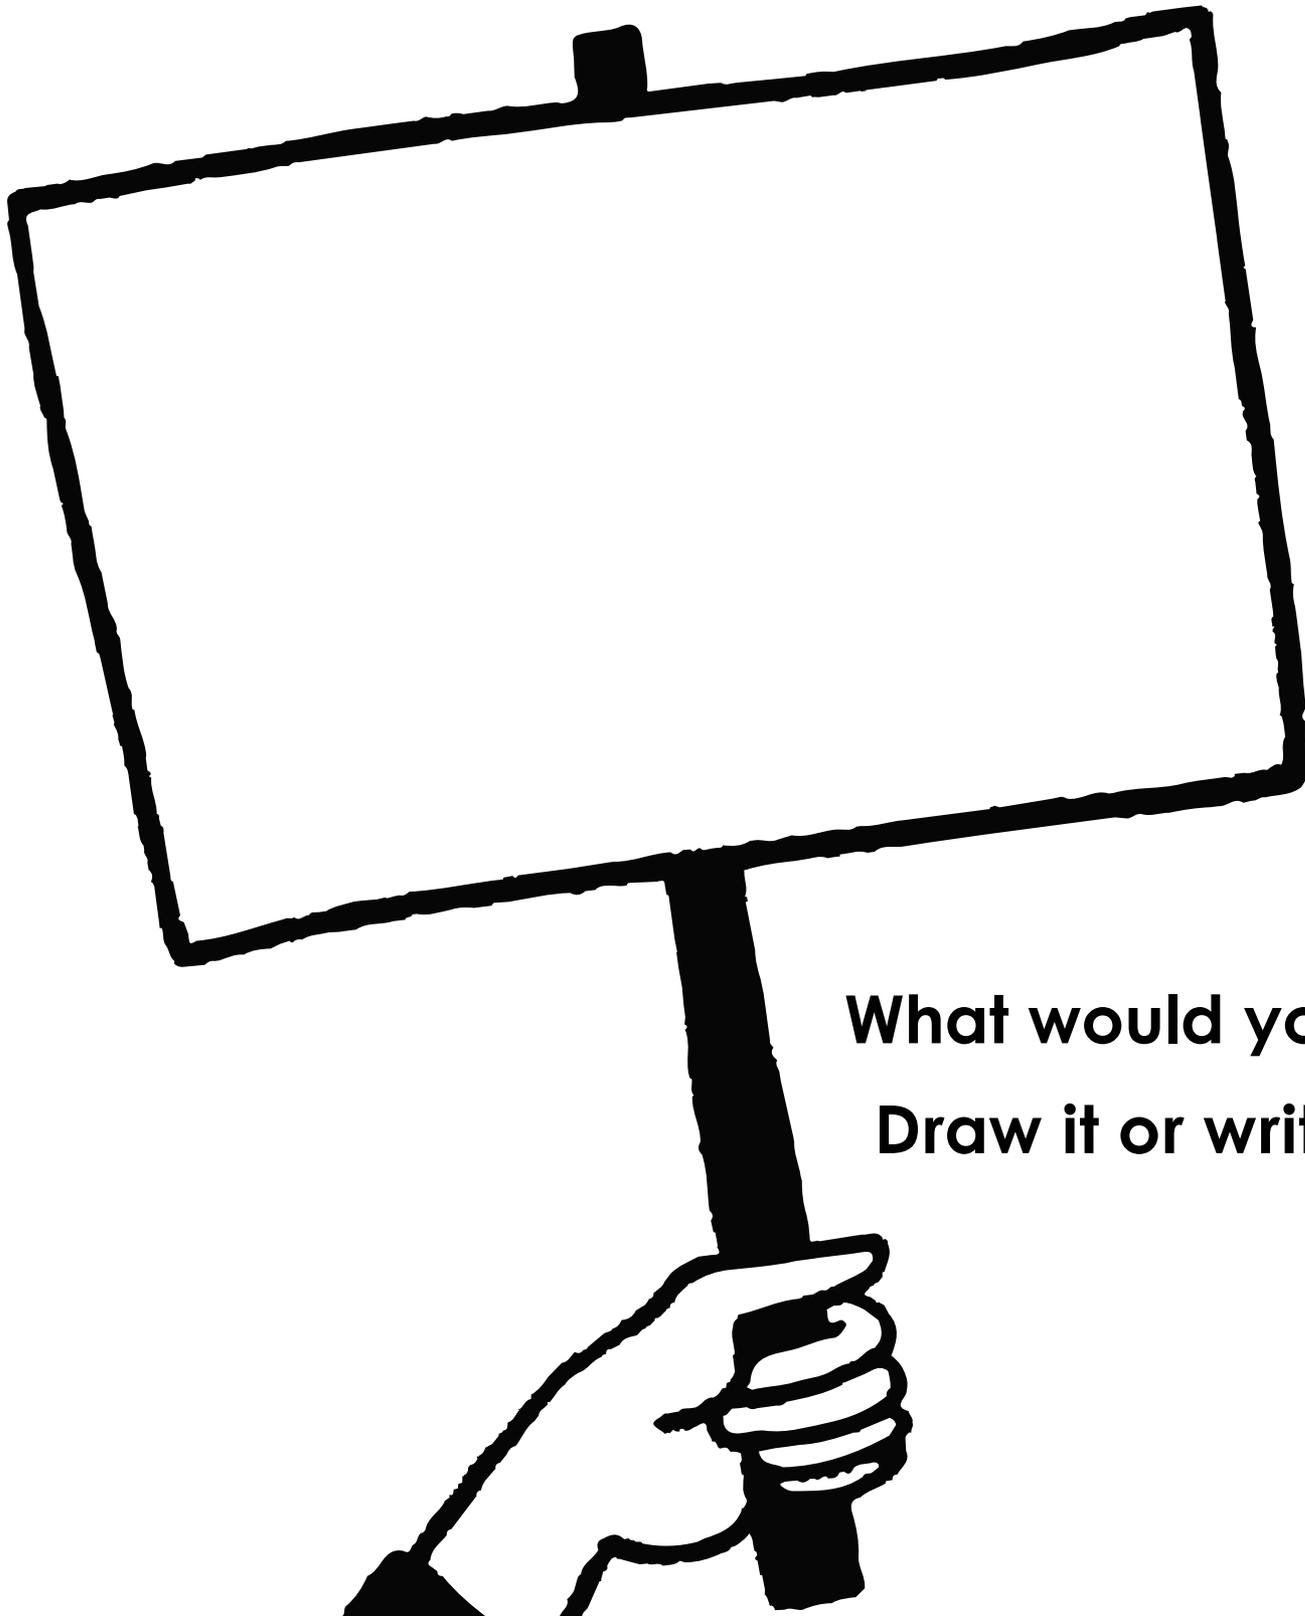

~The Crystal Stairs Community Voices Team

I care about...

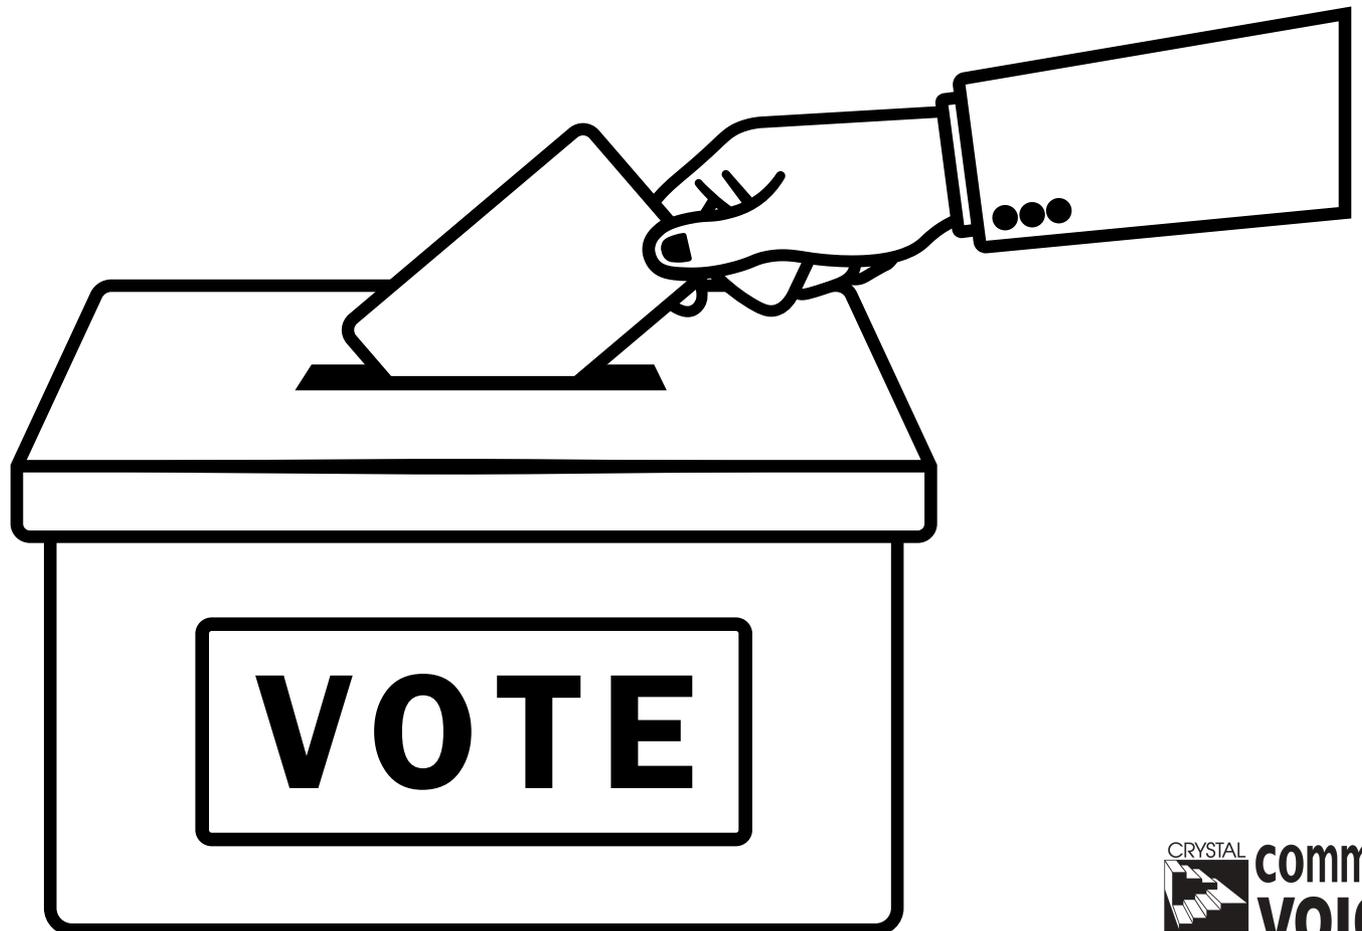

I want everyone
to know about...

**What would you advocate for?
Draw it or write it on the sign!**

If I could vote for one thing, I would vote for...

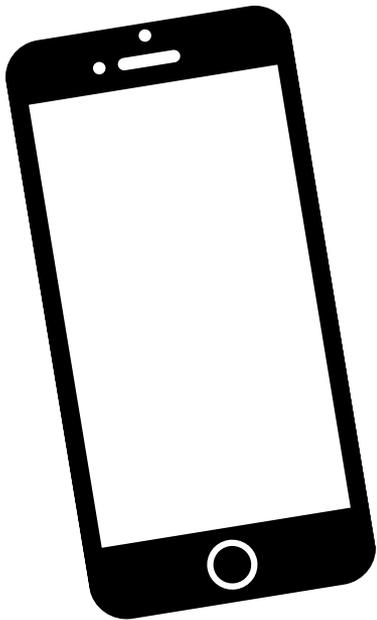

I can change the world with my voice!

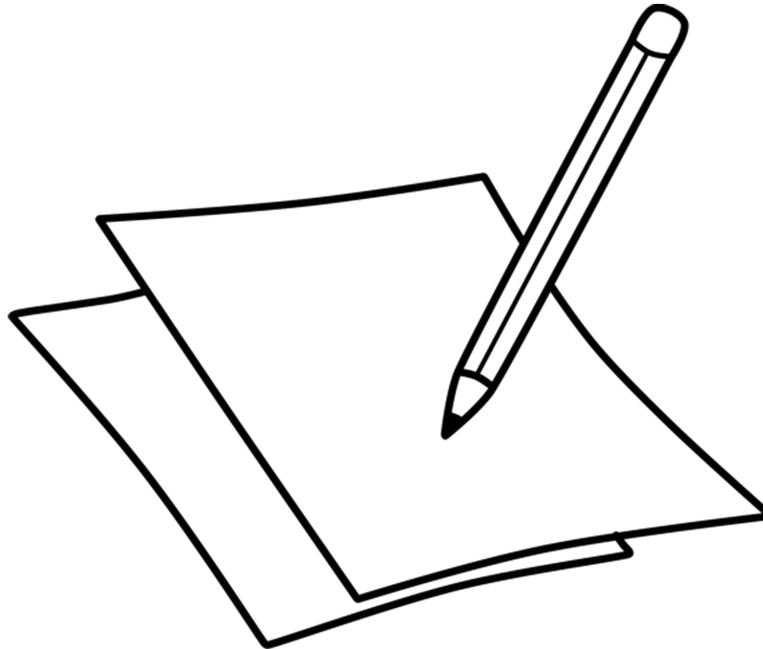

To be an advocate I can...
call, write, show up!

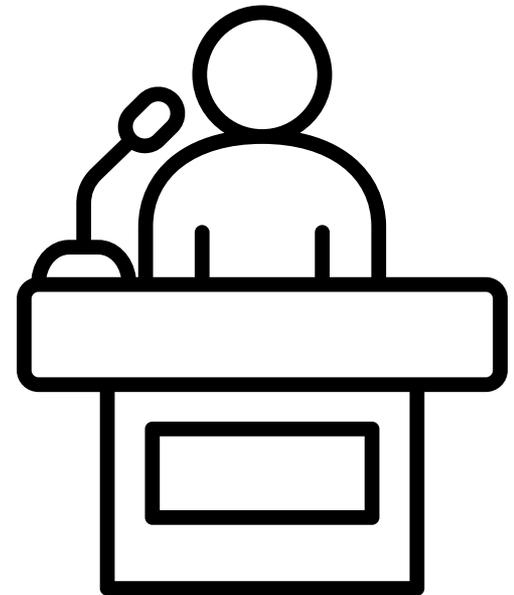

Call!

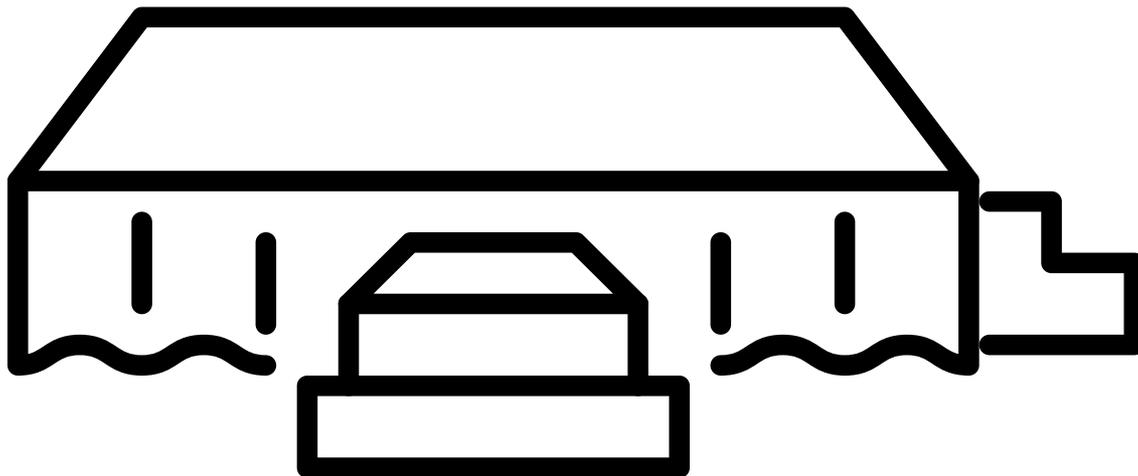

Write!

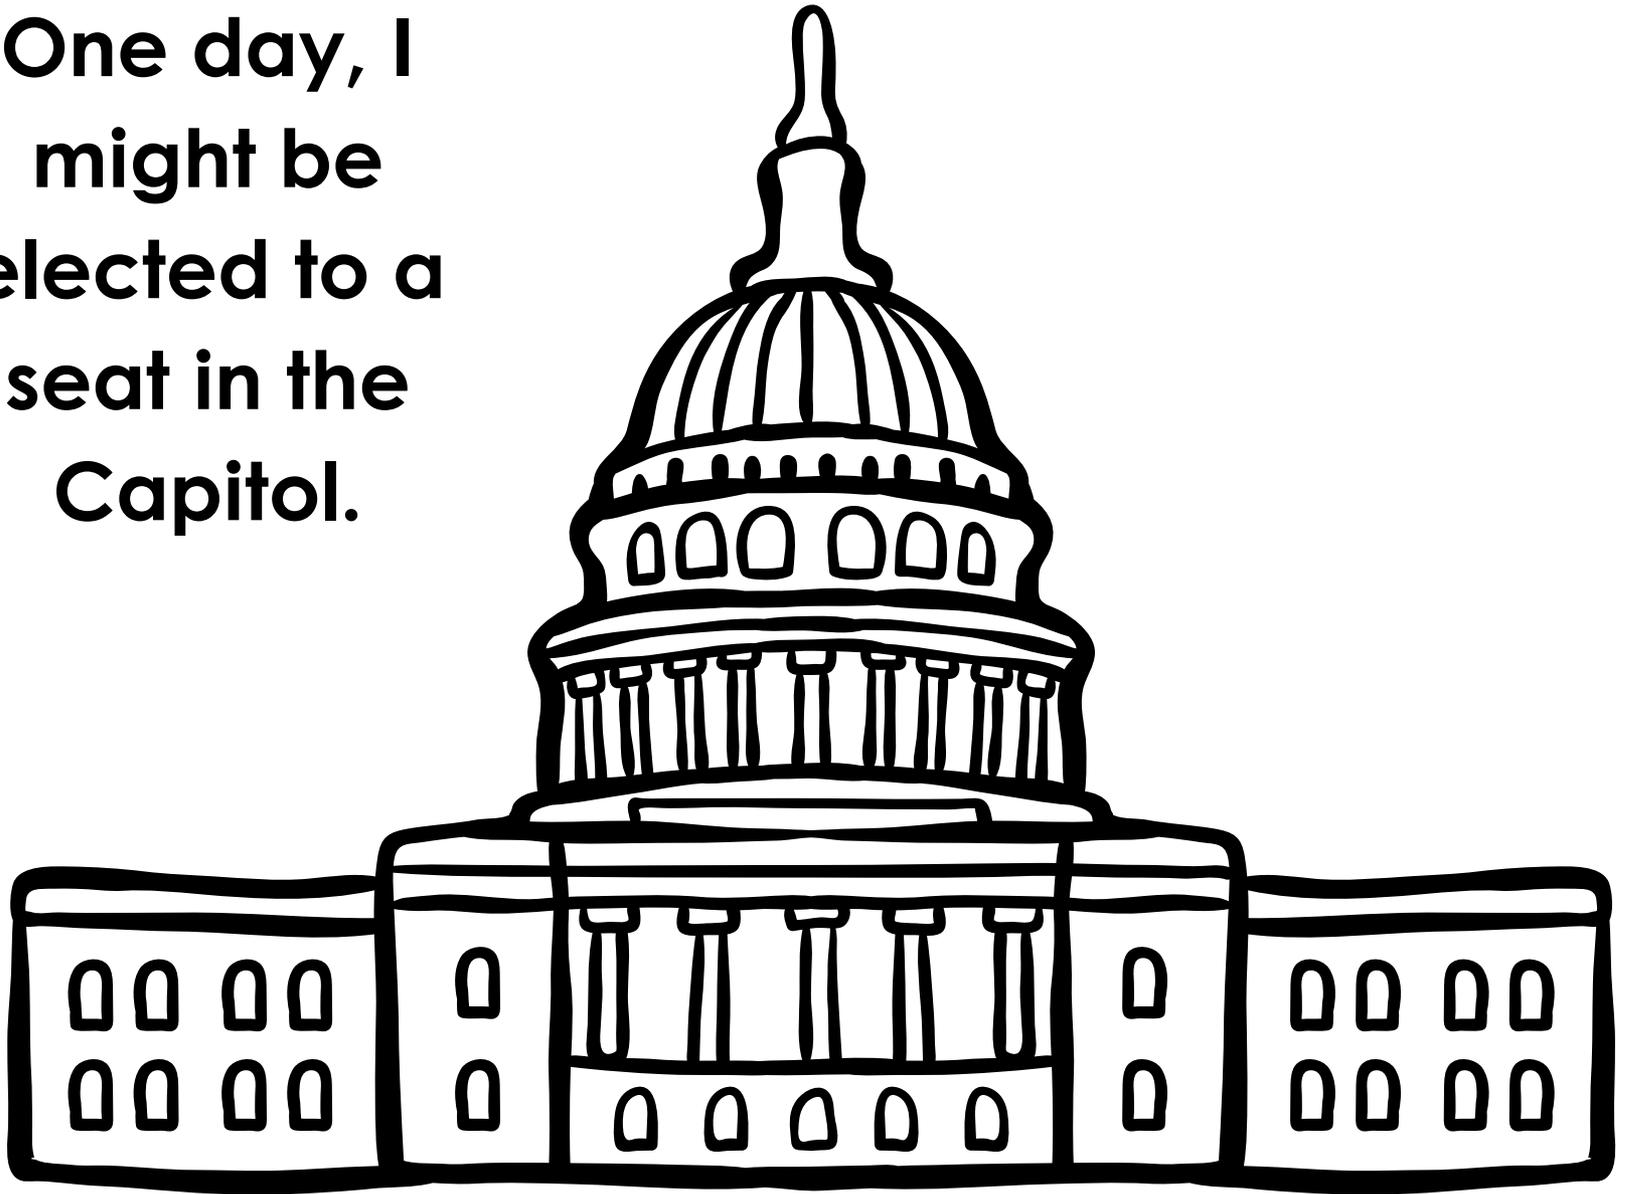

**Show up and
Speak Up!**

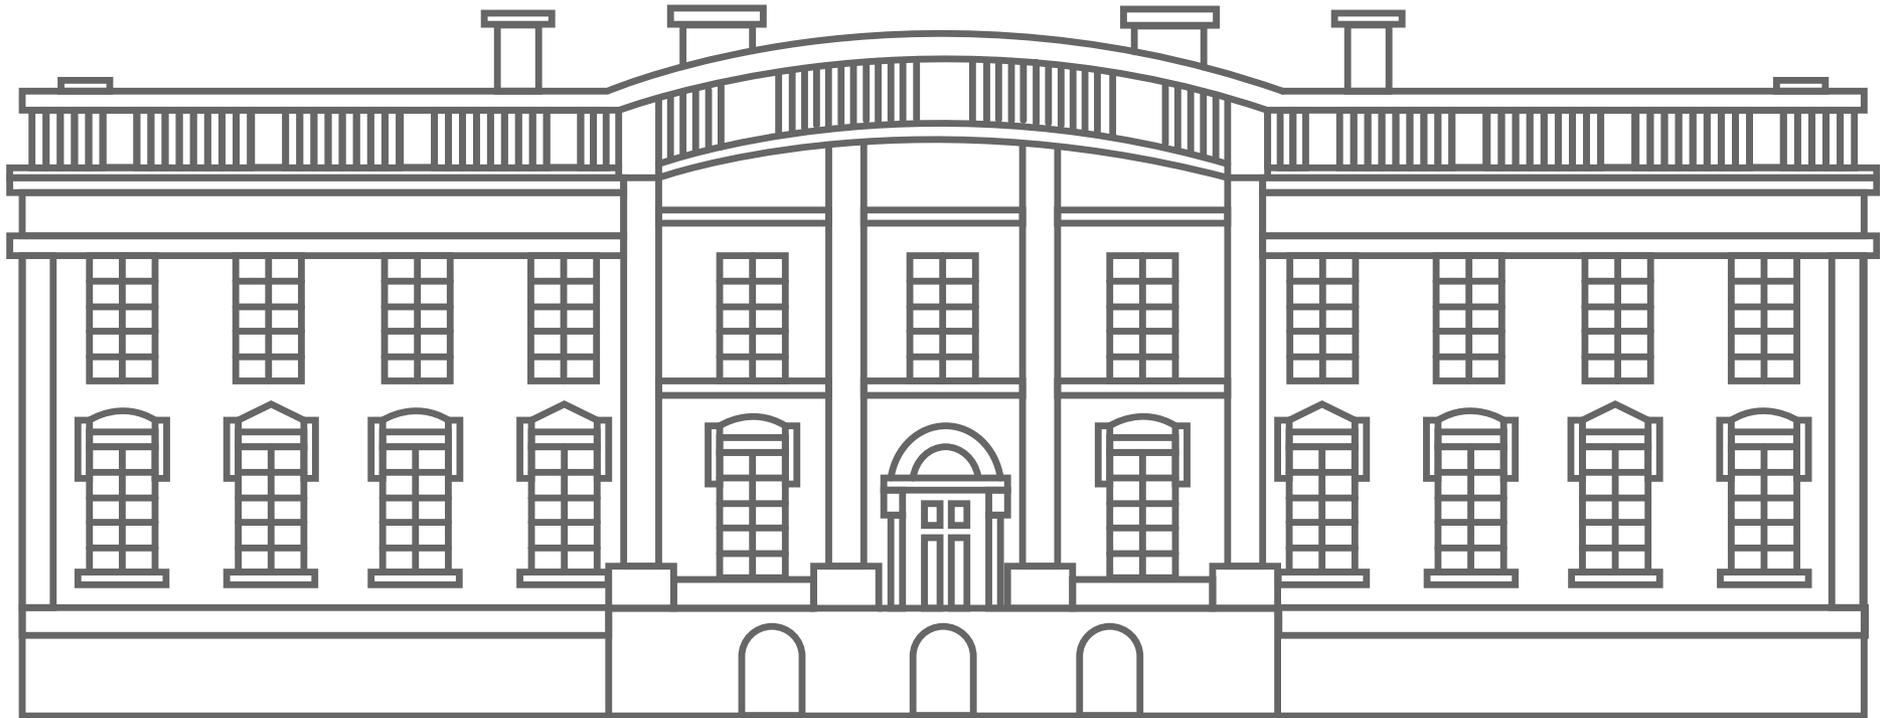

**Draw yourself with a big microphone.
What would you say to help others?**

One day, I
might be
elected to a
seat in the
Capitol.

**One day, I could be the President and I would
live and work in the White House.**

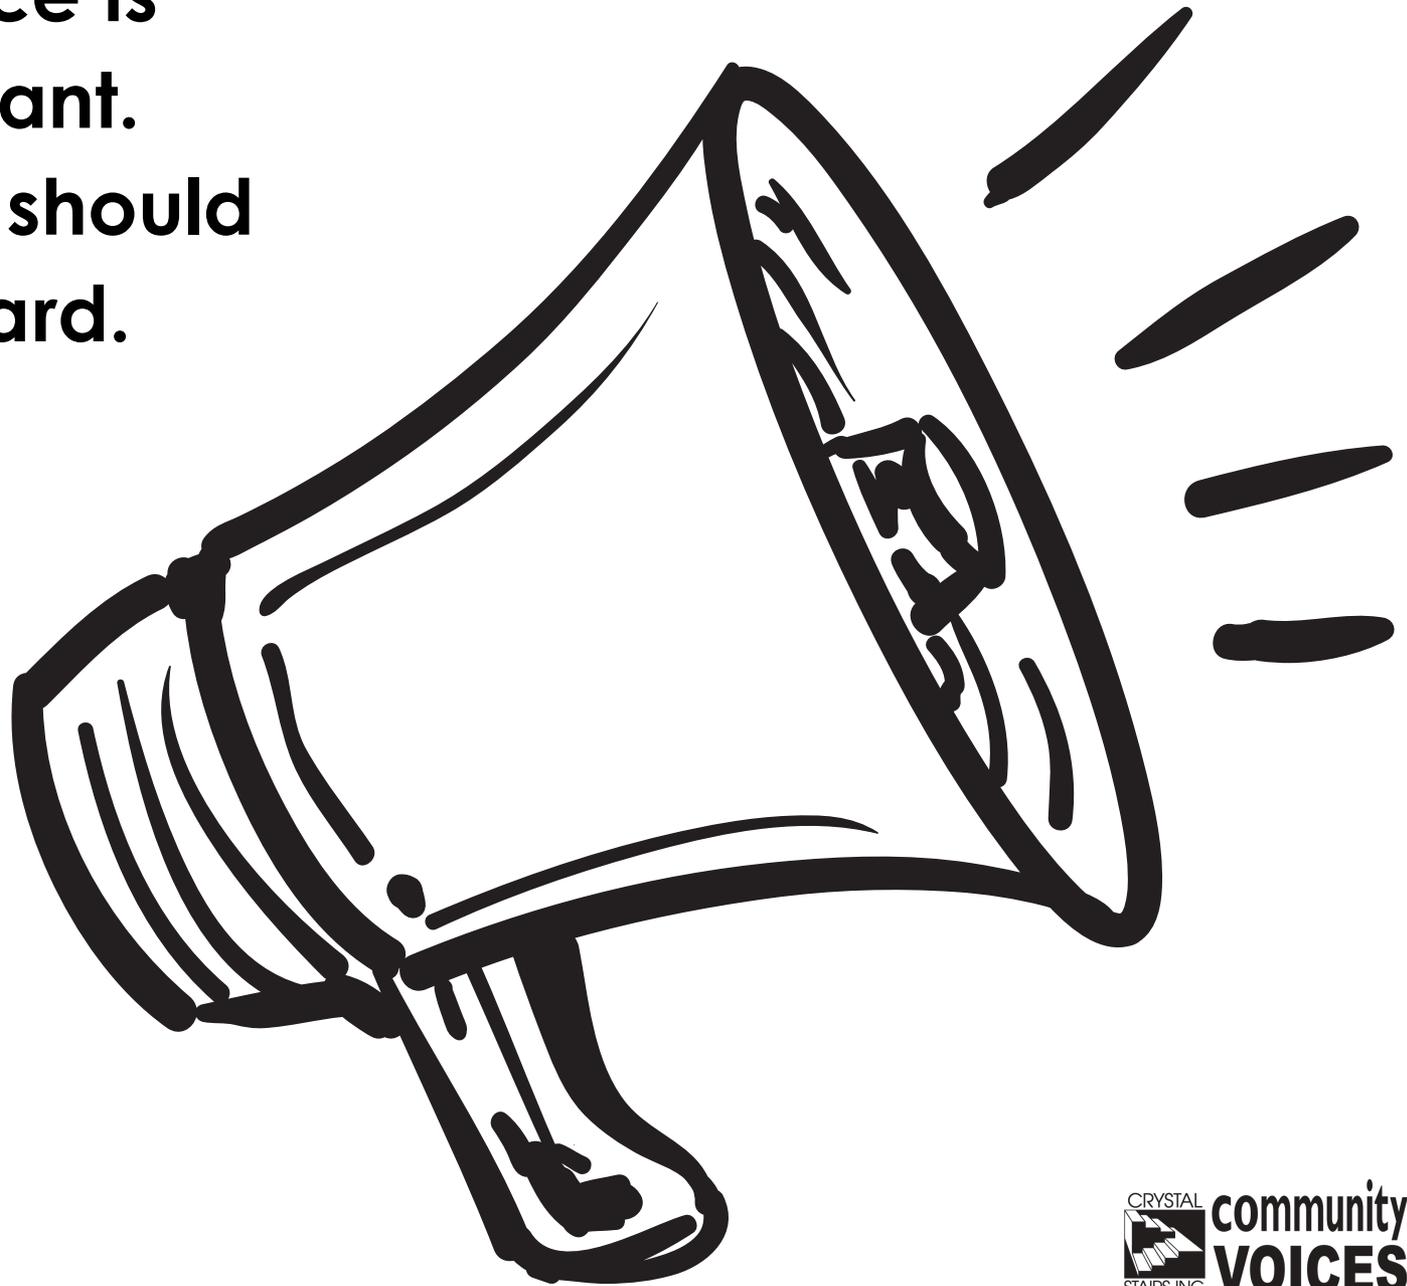

Right now, I can be an...

A D V O C A T E

and when I turn eighteen I will...

V O T E !

**My voice is
important.
My voice should
be heard.**

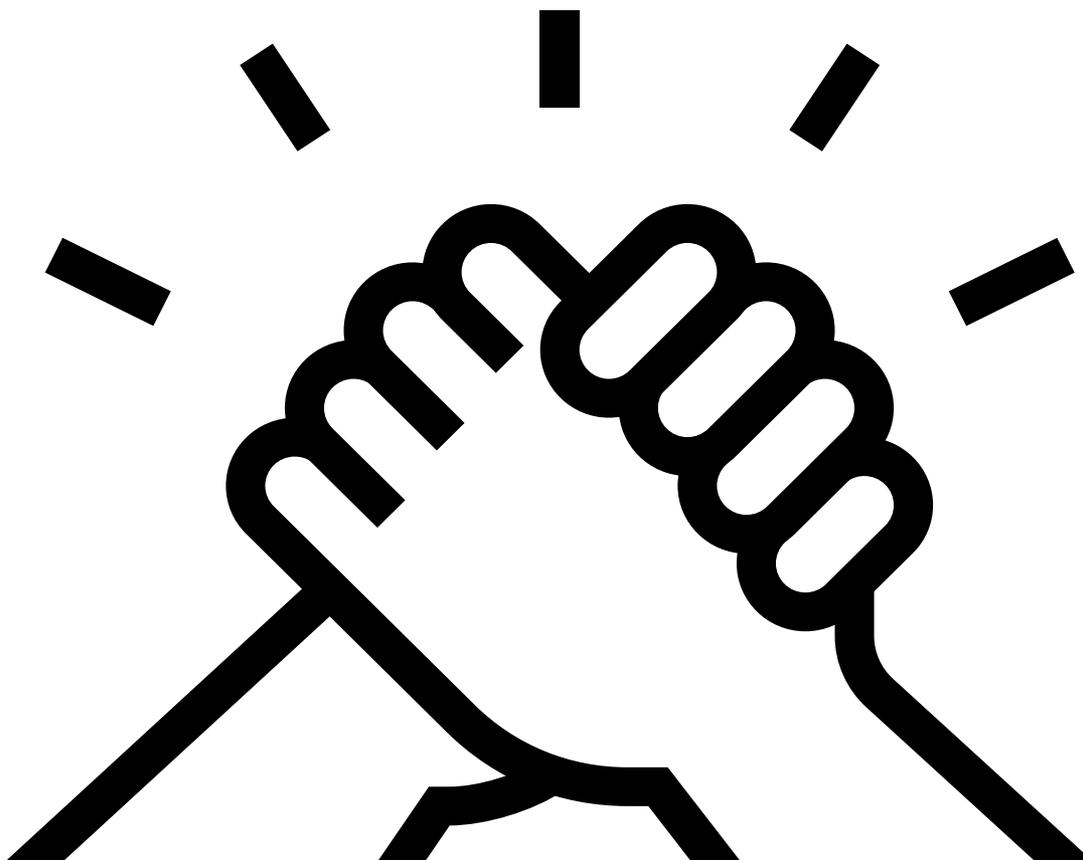

If you could change something to make the world better, what would it be? Draw it!

We Are

All

Important!

I help others by...

Community Voices (CV) is a Los Angeles countywide advocacy program led by Crystal Stairs, Inc. that focuses on building parent and provider leadership, and stronger advocates for children and working families through workshops, community organizing, revitalized civic engagement, advocacy events, and legislative interactions.

In Community Voices we:

- **EDUCATE** through our advocacy workshops.
- **EMPOWER** our members through our leadership development trainings and opportunities.
- **ADVOCATE** by actively engaging in legislative activities and meetings.

Thanks to First 5 LA for funding to support Community Voices.
